Electric Made Effortless
The Geely EX5 is more than a vehicle; it's your gateway to smart, sustainable mobility.With sleek design, intuitive technology, and all-electric performance, it's built to move you forward with ease, style, and purpose.

Designed to Make a Statement
With its confident stance and flowing proportions, the Geely EX5 embodies the future of electric design. Every line speaks of motion, every angle reflects purpose, a bold presence crafted to stand out on any road.

EVERY MILE, IMMERSIVE

Openable Panoramic Sunroof
Panoramic sunroof with 11-stage of opening and closing for higher flexibility

Alloy Wheels
Premium designs that complement the bold, dynamic exterior.

LED Headlights
Striking illumination with modern styling.

Stylish Tail Lights
Distinctive signature that commands attention.

EVERY MILE, IMMERSIVE

Multi-Layer Marshmallow Comfort

Exceptional comfort and support designed to reduce fatigue on longer journeys.

Power-Adjustable Seats

6-way electric adjustment
for effortless positioning.

Reclining Front Seats

Transform your cabin by folding seats
fully flat for ultimate versatility.

Front Row First-Class

Comfort Seat with 5+1 Layer Cushion
and unique zero sensation relief layer

Ventilated Front Seats

Three-speed ventilation reduces temperature
by 10-15°C

Spacious Rear Legroom

Comfort for all, with an exceptional 1,005 mm of rear legroom.

Driver Seat Memory

Save your perfect position and recall it with one touch.

EVERY MILE, INTUITIVE

Hi Geely:
With the “Hi, Geely” intelligent voice assistant, the Geely EX5 responds to offline Voice Control that supports selected in-vehicle functions without requiring an internet connection, including window operation, sunroof control, bluetooth music playback, and other features that function independently of network connectivity.

15.4″ HD 2.5K Touchscreen
The Geely EX5 features a sleek 15.4″ HD touchscreen that serves as the digital hub of the cabin. With a crisp interface and lightning-fast responsiveness, it seamlessly integrates navigation, climate controls, media, and sound control.

15W Wireless Charging
Driver’s seat equipped with wireless charging.

16-Speaker Flyme Sound
1,000W amplifier with roof-mounted sky audio and dedicated subwoofer.

Intelligent Headrest Speakers
Private listening without disturbing passengers.

MORE ROOM FOR YOUR NEXT ADVENTURE

The Geely EX5 welcomes you with spacious seating, refined finishes, and a clean, modern layout. Ergonomic seats offer lasting comfort, while smart storage keeps everything in place.

EVERY MILE, INSURED

EURO NCAP
★★★★★

360° VIGILANCE

Advanced safety sensors and cameras monitor your surroundings in real time, delivering protection from every direction.

ENGINEERED FOR IMPACT

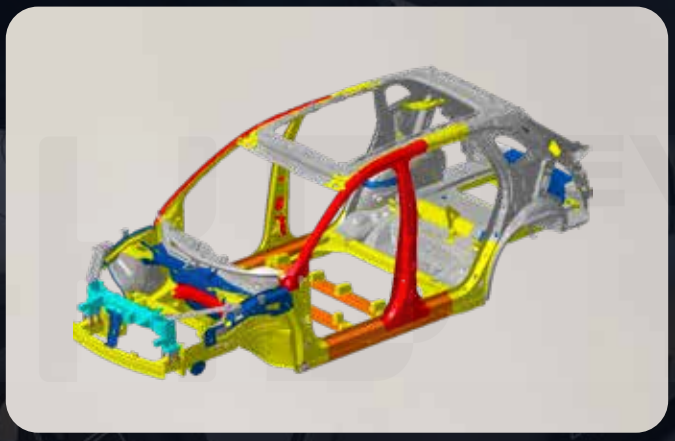

Built around an ultra-high-strength steel cage with intelligent crumple zones and 6 standard airbags, our safety is engineered into the core of the vehicle.

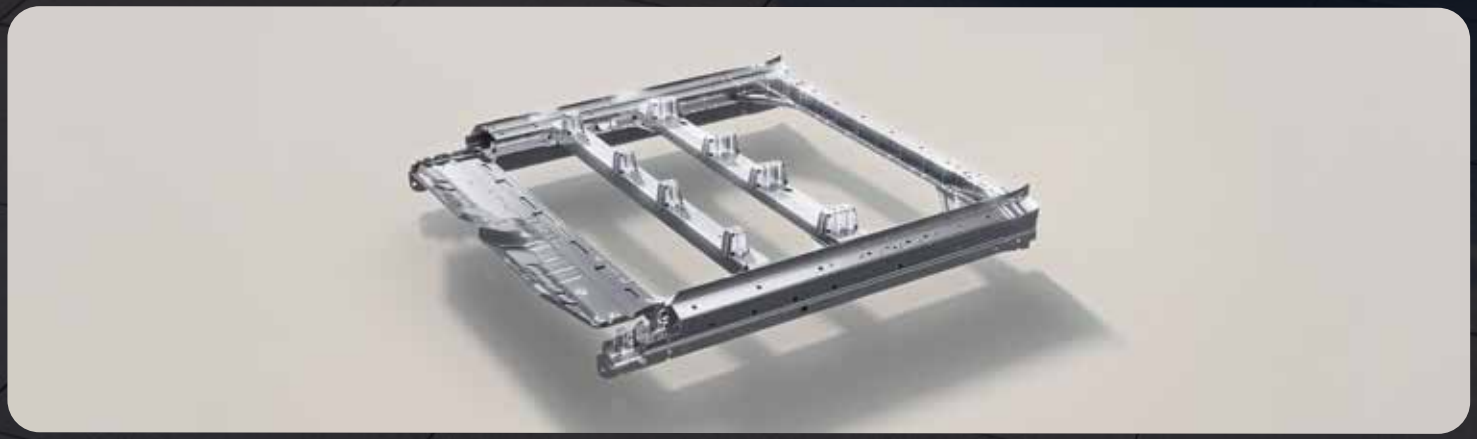

GEA - GLOBAL INTELLIGENT ELECTRIC ARCHITECTURE

GEA is the intelligent architecture behind the GEELY EX5, optimizing space, energy efficiency, safety, AI, and performance for a smarter and more dynamic drive.

TESTED BEYOND LIMITS

Pur through 100+ full-scenario extreme working condition tests, 80 more than the national standard, including simulated collision, mechanical shock, immersion, damp heat cycle, salt spray, and thermal propagation.

BATTERY COMPARTMENT STRUCTURE

The innovative structure maximizes battery protection, keeping the batter cells safe from compression during impacrs, ensuring consistent stability in all conditions
